

# PRODUCT INFORMATION UPDATE

WHITE OILS, CLEAR GREASES, SILICONE FLUIDS AND TEFLON® FILMS FOR TEXTILE, ELECTRONIC, APPAREL AND INDUSTRIAL APPLICATIONS.

Precision Quality Lubricating Products

## EXPERT® LUBRICATING SPRAYS

### EXPERT DRY SILICONE SPRAY

Fast Drying, long lasting Silicone spray. Unique formula is non-staining and prevents rust. It is great for many applications including zippers, cutting blades, seals, gaskets and more. Also good for use as a mold release agent.

**Item No. 1650**, Net Weight: 10 oz. Aerosol (283 grams) per can. Case Pack: 12 Cans

### EXPERT TEF-LUBE TEFLON FILM SPRAY

A fluorotelomer lubricant with DRYFILM that withstands high heat applications on various machinery and ball bearings. Also, an excellent release agent for molds.

**Item No. 1660**, Net Weight: 10 oz. Aerosol (283 grams) per can. Case Pack: 12 Cans

### EXPERT AD-90 WATER DISPLACING SPRAY LUBRICANT

AD-90 drives moisture off metal surfaces and motors. The penetrating spray locates and stop squeaks and frees rusted seized parts. Excellent for releasing stuck and corroded locks. Cleans and Protects.

**Item No. 3041**, Net Weight: 12 oz. Aerosol (340 grams) per can. Case Pack: 12 Cans

### EXPERT WHITE GREASE LUBE

A multi-purpose lubricant that is both heat and freeze stable. It is ideal for use with plant equipment, parts, machinery, conveyers, trucks and automobiles. For use both indoors and outdoors. Expert White Great Lube prevents rust and corrosion.

**Item No. 3042**, Net Weight: 10 oz. Aerosol (283 grams) per can, Case Pack: 12 Cans

### EXPERT CLIPPER BLADE LUBRICANT AND CLEANER

Lubricating Spray for scissors, trimmers & clippers. Great for paper cutters, gardening tools and all cutting machinery. Prevents rust and reduces friction. Does not contain silicone or Teflon and will not build up.

**Item No. 3610**, Net Weight: 10.5 oz. Aerosol (297 grams) per can, Case Pack: 12 Cans

### EXPERT FUSING MACHINE CLEANER

Non-Flammable cleaning for fusing machines and irons. Can be sprayed while machines are in operation. Removes adhesive and other residue without smoking.

**Item No. 3623**, Net Weight: 14 oz. Aerosol (397 grams) per can, Case Pack: 12 Cans

## PURE SILICONE FLUID AND SPRAYS

### EXPERT SILICONE CONCENTRATE

Expert Pure Silicone is the ideal lubricant for reducing heat build up and chatter. It also reduces static electricity. Expert Silicone Fluid is non-toxic. It may be applied onto seals, o-rings and other plastic and rubber parts. Silicone is the best lubricant to use between metal and non-metal parts.

**Item No. 1749**, 2 fl. oz. container, Case Pack: 24

**Item No. 1752**, 1-gallon container, Case Pack: 4

### GLIDE E-Z SILICONE SPRAY

Glide E-Z is a highly concentrated, fast drying silicone spray. The all purpose lubricant reduce friction and static electricity. Great for textile and apparel applications. Spray on irons, cutting tables and examining tables. Won't stain fabrics.

**Item No. 3003**, 10 oz. (283 grams) per can, 12 cans per case.

## QUICK STITCH SILICONE THREAD LUBRICANT

Quick-Stitch reduces chatter and heat build up by eliminating friction and static electricity. It prevents yarn fraying and reduces thread breakage. Quick-Stitch is an odorless solvent based formula which may be applied by dipping spools directly into the lubricant or with a thread lubricator box. The thread will remain moist during handling but will evaporate without leaving any residue.

**Item No. 3009** – 1-gallon container (3.8 liters), 6 per case

**Item No. 3010** – 5-gallon pail (19 liters), 1 per case

**Item No. 3012** – 55-gallon drum (209 liters)

## CRYSTAL CLEAR OILS AND LUBRICATING FLUIDS

### LILY WHITE SEWING MACHINE OIL (Iso-22)

Albatross Lily White is a highly refined, narrow cut, non detergent mineral oil. It is ideal for sewing machines and other applications where the oil may come into contact with textiles. Iso-22 viscosity is perfect for most high speed sewing machines.

**Item No. 3020** – 1-gallon container (3.8 liters), 4 per case

**Item No. 3021** – 5-gallon pail (19 liters), 1 per case

**Item No. 3023** – 55-gallon drum (209 liters)

### ALBATROSS LEMON OIL

A pure mineral citrus oil for many industrial and commercial applications. Albatross Lemon Oil is clear in color to reduce chances of staining. It is great for coating cutting tables to improve material handling.

**Item No. 3026** – 1-gallon container (3.8 liters), 4 per case

**Item No. 3027** – 5-gallon pail (19 liters), 1 per case

**Item No. 3029** – 55-gallon drum (209 liters)

### ALBATROSS CRYSTAL CLEAR SEWING MACHINE OIL (Iso-32)

Albatross Crystal Clear is a water white mineral oil for lubricating sewing machines, parts, twister rings, circular hosiery knitting machines and double knitting machines. The medium viscosity reduces dripping that occurs with thinner oils.

**Item No. 3030** – 1-gallon container (3.8 liters), 4 per case

**Item No. 3031** – 5-gallon pail (19 liters), 1 per case

**Item No. 3032** – 55-gallon drum (209 liters)

### ALBATROSS CUTTING MACHINE OIL (Iso-68)

A hydrotreated paraffinic oil that has been specially formulated for industrial cutting machines, bearings and similar parts. It is for use on machines that operates at moderate to high temperatures.

**Item No. 3037** – 16 oz. container (.473 liters), 12 per case

**Item No. 3034** – 1-gallon container (3.8 liters), 4 per case

**Item No. 3035** – 5-gallon pail (19 liters), 1 per case

**Item No. 3036** – 55-Gallon Drum (209 liters)

\* Teflon is a registered trademark of E.I. DuPont De Nemours Company. Super Lube is a registered trademark of Synco Chemical Corporation

## SUPER LUBE® PRODUCTS

### SUPER LUBE GREASE

Super Lube Grease is a synthetic NLGI grade 2 heavy-duty multi-purpose lubricant compatible with most lubricants. Super Lube Grease outlasts conventional greases by 50-100% and has excellent adhesion. It is listed as a USDA food grade lubricant, rated H1 for incidental food contact. Operating over a broad temperature range (-45°F to +450°F), it will not run, drip, dry out, melt or separate and does not evaporate or form gummy deposits. It is clean and non-toxic.

**Item No. 21010** – 1/2 oz. tube (12 grams), 12 per case

**Item No. 21030** – 3 oz. tube (85 grams), 12 per case

**Item No. 41150** – 400 gram cartridge (for grease gun), 12 per case

**Item No. 41030** – 30 lb. pail (13.6 kg), 1 per case

### SUPER LUBE GREASE SPRAY

Super Lube Grease Spray is an odorless, multi-purpose PTFE based synthetic lubricant in an aerosol can. The convenient and efficient aerosol dispenses a controlled application of penetrating spray which forms a translucent, long lasting barrier of protective grease. The barrier extends the life of equipment while it lubricates and loosens rust and dirt. It outlasts petroleum based greases and oils.

**Item No. 31040** – 6 oz. (170 grams) Aerosol, 12 per case

**Item No. 31110** – 11 oz. (312 grams) Aerosol, 12 per case

### SUPER LUBE DRI-LUBE FILM SPRAY

Super Lube Dri-Lube is a self cleaning lubricant that actually cleans while lubricating. Super Lube Dri-Lube leaves behind a protective shield lubricant that will not attract dust. The dry coating provides a low coefficient of friction which gives excellent lubrication and release properties. Use on wood, metal and most plastics. Approved under MIL-L-60326(MU) amendment 1.

**Item No. 11016** – 11 oz. (312 grams) Aerosol, 12 per case

### SUPER LUBE OIL WITH PTFE

Super Lube Oil with PTFE is a premium waterproof synthetic oil with suspended PTFE particles that bond to surfaces adding lubricity to moving parts. The 1/4 oz. Super Lube Oiler is ideal for the precise lubrication of parts, and may be used as a general purpose lubricant for industrial machinery and equipment.

**Item No. 51010** – .25 oz. (7 ml), 12 per case

**Item No. 51004** – 4 oz. (112 ml) Tube, 6 per case

**Item No. 51600** – 1 quart (.95 liters), with trigger sprayer, 12 per case

**Item No. 52040** – 1 gallon (3.8 liters), 4 per case

### SUPER LUBE AIR TUBE LUBRICANT

Formulated to meet the special requirements for lubrication of air lines in industrial and agricultural machinery. Absorbs water and eliminates any kind of ice buildup and frost in air tools. Super Lube Air Tool Lubricant contains a blend of rust and corrosion inhibitors in a special base fluid oil to minimize tool wear.

**Item No. 12004** – 4 oz. (112 ml) container, 6 per case

**Item No. 12032** – 32 oz. (.95 liter) container, 12 per case

### SUPER LUBE DIELECTRIC GREASE

Super Lube Dielectric Grease is a non curing silicone compound utilized for sealing, protecting and inspecting electrical components and connectors. It waterproofs and protects against moisture and other contaminants in electrical connections. Super Lube Dielectric Grease is translucent white, clean and clear in appearance. It exhibits high dielectric strength and is compatible with most plastics.

**Item No. 91003** – 3 oz. (85 gram) tube, 12 per case

### SUPER LUBE CORROSION AND CONNECTOR GEL

A specially formulated high molecular weight connector gel used as a dielectric compound and as a corrosion protectant. Super Lube Corrosion and Connector Gel will provide much better protection than typical grease, due to the special additive package. The thin viscosity of the product makes it easy to coat and prepare a barrier of protection that will outlast conventional grease.

**Item No. 82003** – 3 oz. (85 gram) tube, 12 per case
